- 25X1A 1. Comment. Possibly, troop shipments.
2. Comment. Probably, troop shipments.
3. Comment. After deducting the shipments with undetermined cargo and those assumed to be troop shipments the number of shipments loaded in the area concerned amounts to 601 carloads as compared with 747 carloads in the preceding period of observation. The number is below the average of the last months.
- 25X1A 4. Comment. Shipment record No 75991 is reported for the first time. The train presumably carried a tank unit of the 20th Gds Mecz Div. The train with the shipment-record No 75132 carried a unit of the 68th Gds Hv Tank SP Regt of the 20th Gds Mecz Div to Letzling Heath. See [REDACTED]
- 25X1A 5. Comment. These trains were part of the return movement to the military posts of troops from the troop training grounds at the end of September 1952. See [REDACTED]
- 25X1A [REDACTED]
- 25X1A [REDACTED]
- 25X1A 6. Comment. This train had shipment-record No 75891 and carried elements of the 94th RI Regt (US). See [REDACTED]
- 25X1A 7. Comment. This train had shipment-record No 75315 and carried elements of the 17th Gds Tank SP Regt of the 57th Gds Mtz Rifle Div. See [REDACTED]
- 25X1A 8. Comment. On the basis of previous reports, the trains carried the following units:
